

Choose Your Meal!

Burritos

700-1090 cal.

A scrumptious bundle of joy that will literally make your heart sing with jubilation.

Bowls

800-1200 cal.

A heaping pile of delicious goodies, expertly held within a sturdy bowl of might.

Tacos

300-500 cal.

Probably the greatest tacos on the entire planet if we are being completely honest.

Salads

400-800 cal.

While I do think breakfast salads would sell, I don't like salad so I wouldn't partake...
